DOMINION ORDERS IN COUNCIL.

[Ref. 557,784.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 4th day of September, 1908.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR-GENERAL IN COUNCIL.

ON a Report dated 21st August, 1908, from the Minister of the Interior, submitting that grazing leases heretofore granted covering Dominion Lands in the Railway Belt in the Province of British Columbia, provide that the whole or any portion of the leaseholds shall be open to homestead entry, pre-emption entry and purchase.

The Minister states that it has been represented that certain tracts of land held under lease are not suitable for agricultural purposes and that stockmen are being seriously inconvenienced by settlers within their leaseholds leaving gates open and fences down.

The Minister, therefore, with a view to overcoming this difficulty and furnishing reasonable protection to the ranchmen, recommends that, with the concurrence of the lessee, he be authorised to cancel the lease or leases now in existence of such leaseholds as have been inspected by an officer of the Department of the Interior, and to grant a new lease for such portions thereof as are reported by such officer to be unoccupied and unsuitable for agricultural purposes, for such term as is proper under the circumstances, and containing with the exception of the condition numbered 8 in the form of lease now in existence all the provisos, terms and conditions contained in such form, and also containing a proviso for its cancellation, either in whole or in part, upon two years' notice in writing to the lessee by the lessor; the term of the new lease and so much of the term of the lease now in existence as will have expired at the cancellation thereof not to exceed in the whole twenty-one years.

The Minister further recommends, that the following condition be inserted in the new form of lease in lieu of the condition numbered 8 in the form of lease now in existence:—

"Should the Minister of the Interior at any time during the term of the lease think it to be in the public interest to withdraw the lands herein described, or any portion thereof, or to cancel the lease for any reason, he may, on giving the lessee two years' notice, withdraw such lands or cancel the lease."

Also, as it is intended that the Order in Council now asked to be passed in accordance with the foregoing recommendations is to replace the Order in Council of the 8th August, 1908, the Minister recommends that such Order of the 8th August, 1908, be rescinded.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,

oc22

Clerk of the Privy Council.

[Ref. 556,617.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

THE Minister of the Interior states, under date the 23rd July, 1908, that grazing leases heretofore granted covering Dominion Lands in the Railway Belt in the Province of British Columbia, provide that the whole or any portion of the leasehold shall be open to homestead entry, pre-emption entry and purchase:

That it has been represented that certain tracts of land held under lease are not suited to agricultural purposes and that stockmen are being seriously inconvenienced by settlers within these leaseholds leaving gates open and fences down:

The Minister, with a view to overcoming this difficulty and furnishing reasonable protection to the ranchmen, recommends that, with the concurrence of the lessee, he be authorised to cancel the lease now in existence of such leaseholds as have been inspected by an officer of the Department of the Interior and grant a new lease for such portions thereof as are reported by such officer to be unoccupied and unsuitable for agricultural purposes, the lease to cover a period of 21 years from the date on which the original lease was granted, and to provide for its cancellation, either in whole or in part, on giving the lessee two years' notice in writing.
